

23.6%

of adults in Georgia have low literacy

Georgia ranks 41 out of 50 in the U.S.

2 in 3

counties in Georgia have populations where 25% or more of the residents have below basic literacy

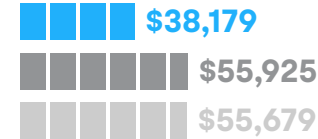

How does low literacy affect equity and quality of life?

In counties where at least a quarter of the population have below basic literacy, we see that many health, economic, and educational outcomes fall short.
